Muziekgebouw

An Experience in Every Note

The Muziekgebouw is an iconic concert hall on the IJ River in Amsterdam, equipped with modern AV technology and flexible spaces. The Grote Zaal is a versatile auditorium with movable floors, chairs and walls, allowing quick transformations for different events. The Entreehal, with its immense glass façade, offers great panoramic views over the river and serves as a reception, catering and branding area.

The Kleine Zaal and Foyerdeck 3 are ideal for groups up to 120 guests, with stunning views of the river IJ. The glass wall between the two rooms can be opened to create one large space. The Atrium is a bright, open area with a terrace and views over the river. It's a perfect area for expo stands and breakout sessions. The adjacent Atriumzaal can also be used as a breakout room.
